Dyspepsia Cure

You might as well put fuel under a boiler without burning it and expect the engine to run, as to eat food and not digest it and expect to keep up nourishment for your body. You must have nourishment to live and when you cannot digest your food, Kodol Dyspersia Curb will do it for you, with no aid whatever from the stomach. It contains exactly the same elements as Nature's digestive fluids and can't help but produce the same results.—David Taylor, Blind Ridge, Pa.,writes:—"I have been afflicted for a number of years with dyspepsia and have tried various remedles without good results but was cured by one bottle of Kodol Dyspersia Curb: I cannot say too much in its favor."
